

## **Tammy Keen**

I have been a member of Local 191 since 1995, when I started my apprenticeship. I served 3 years of it in Eastern Washington, and the remainder on the west side of the mountains.

Prior to electrical work I was a welder - structural steel, then a few years in a metal-fab shop. I'm now classified as a wireman/welder, as I do both.

I'm also a proud single mom of 4 wonderful children - 2 still at home.
